

1 Home screen

A Main Navigation Menu

The main navigation menu in the Hub.

B Search

Enter your search term and select 

C Sign Out

Log out of the Hub.

D My e-Learning Panel

Quick Access panel allowing you to quickly navigate your programmes.

E My Account Panel

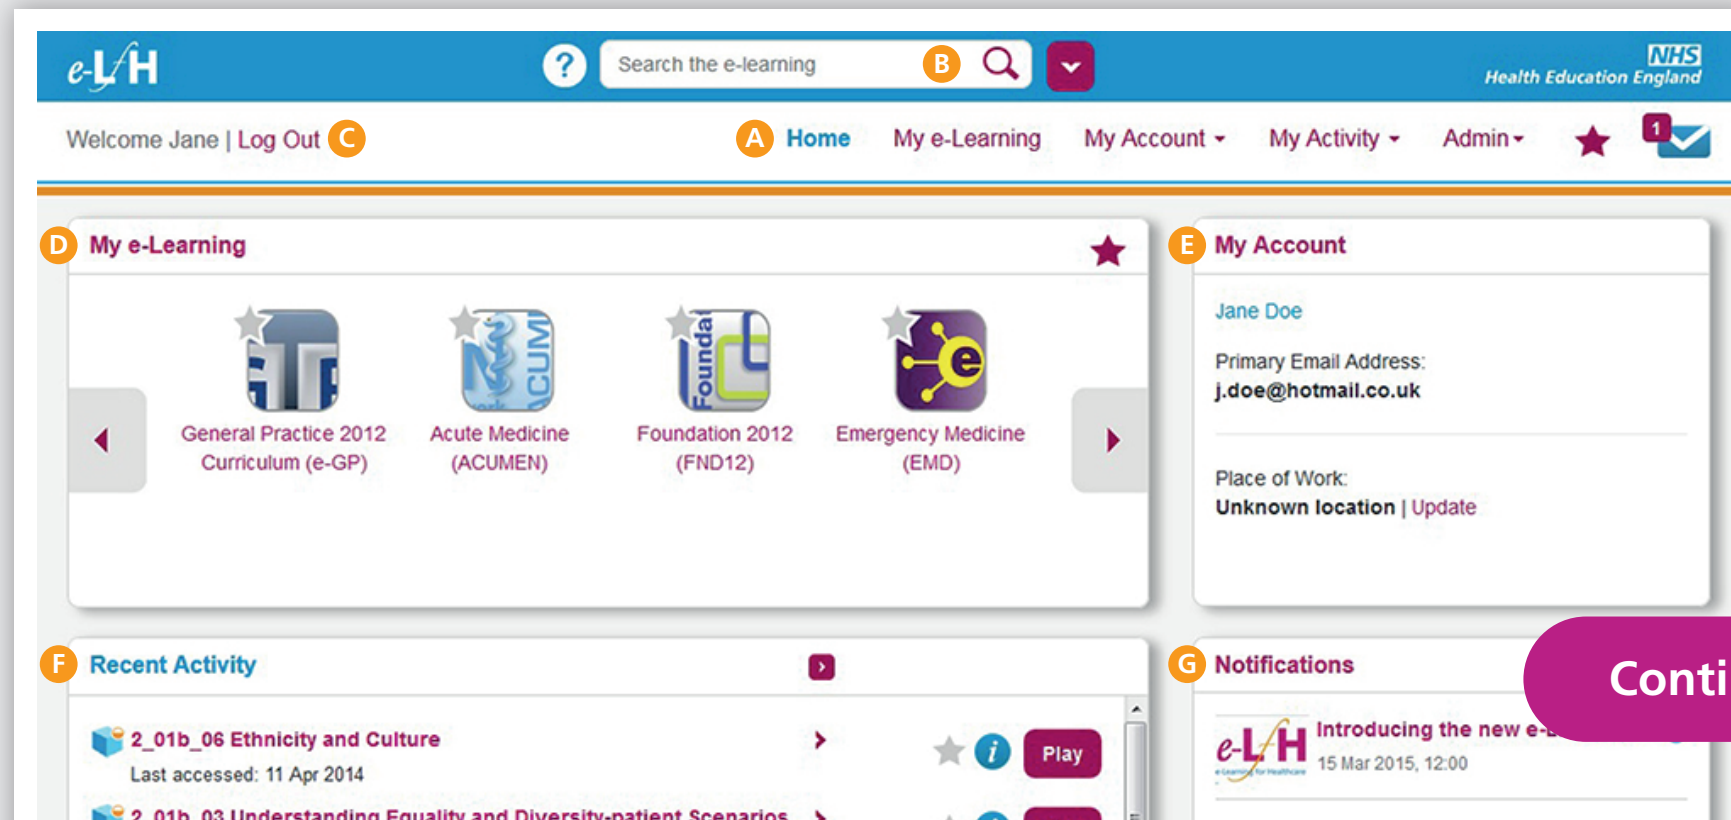

Quick Access to your personal and work details.

F My Recent Activity Panel

Enabling you to resume your e-learning easily.

G Notifications

Recent news about the programmes in your account.

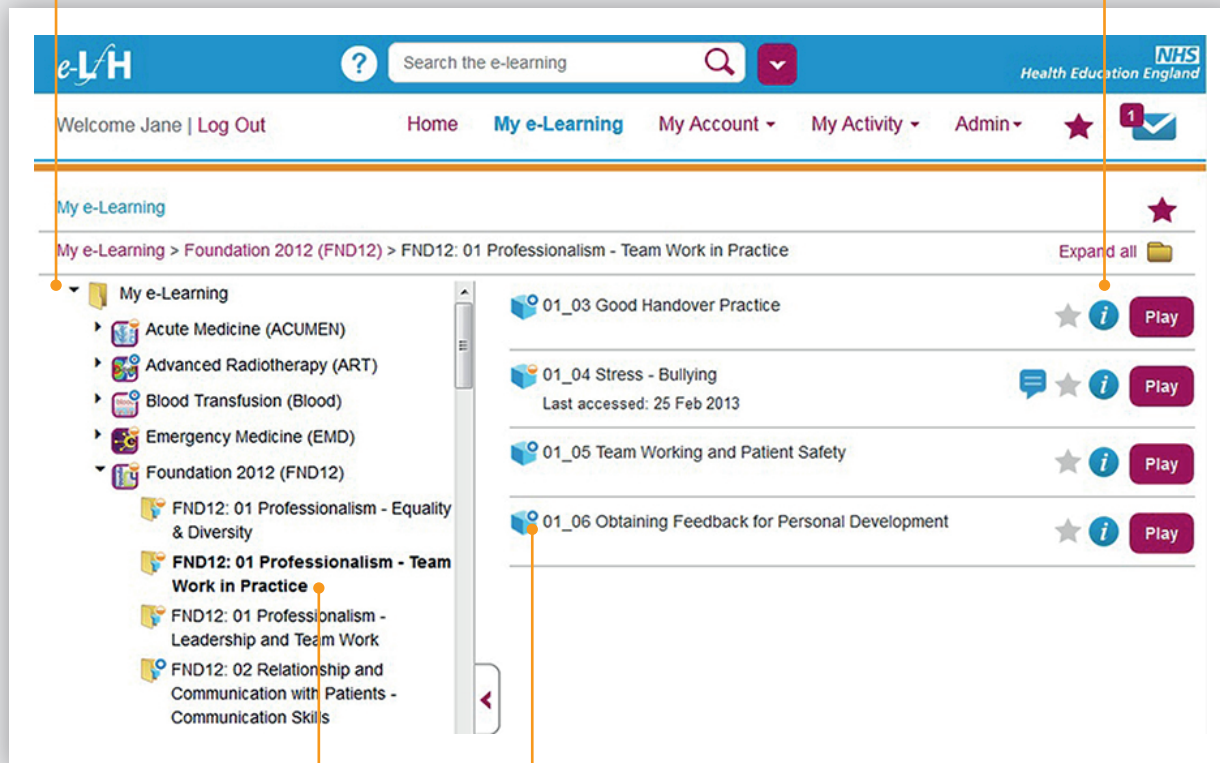

The screenshot shows the e-LfH Home screen. At the top is a blue header with the e-LfH logo, a search bar (labeled B), and the NHS Health Education England logo. Below the header is a navigation bar with links: Welcome Jane | Log Out (labeled C), Home (labeled A), My e-Learning, My Account, My Activity, and Admin. The main content area is divided into several panels. The 'My e-Learning' panel (labeled D) displays four e-learning programmes: General Practice 2012 Curriculum (e-GP), Acute Medicine (ACUMEN), Foundation 2012 (FND12), and Emergency Medicine (EMD). The 'My Account' panel (labeled E) shows user details for Jane Doe, including her primary email address (j.doe@hotmail.co.uk) and place of work (Unknown location | Update). The 'Recent Activity' panel (labeled F) shows a list of recently accessed e-learning modules, such as '2_01b_06 Ethnicity and Culture' and '2_01b_03 Understanding Equality and Diversity-patient Scenarios'. The 'Notifications' panel (labeled G) displays a notification about the new e-LfH logo dated 15 Mar 2015, 12:00.

2 My e-Learning

Expand and contract courses, folders and learning paths.

All applications, programmes, courses, learning paths and sessions have  links which provide additional information about that item.

Select the title to display the full contents of a given course, folder or learning path.

All applications, programmes, courses, learning paths and sessions have a status so you can easily see your progress.

- | | |
|---|--|
|  Not started |  Passed |
|  In progress |  Failed |
|  Complete |  Locked |

This is the main screen used for navigating the Hub. You can access this screen by selecting 'My e-Learning' from the menu.

e-Learning programmes organise their e-learning content in hierarchies designed to communicate the curriculum or group e-learning content together to meet a specific educational need.

Navigating these hierarchies is very similar to navigating around Windows Explorer or Finder.

Courses, folders and learning paths are "containers" for e-learning sessions.

3 Search

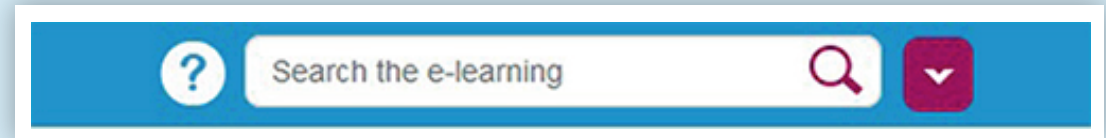

There are 3 ways to search in the Hub:

1 Simple Search

Simply enter your search term and select the 

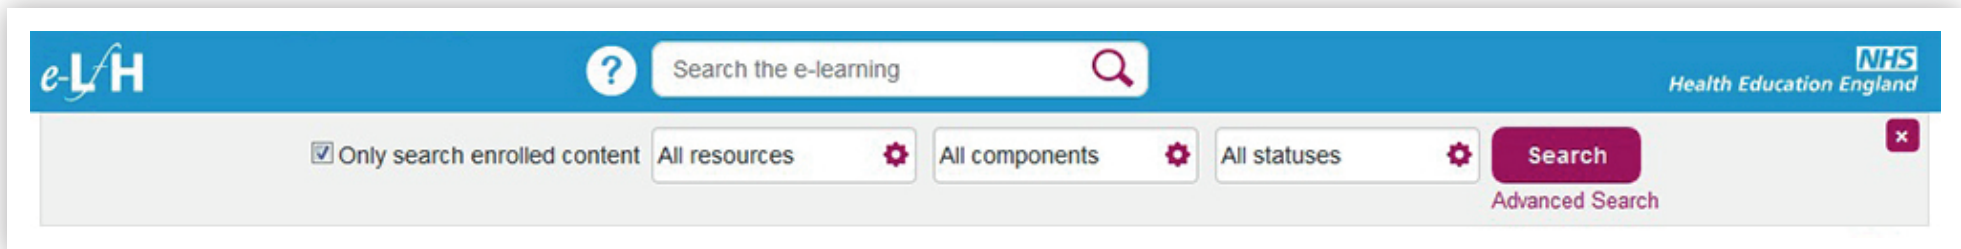

This search only searches e-learning content which you are enrolled upon. It searches for all the words you have entered.

If you have a Quicklink, then just enter that.

A search bar with a blue background. On the left is a white circle with a question mark. In the center is a white input field with the placeholder text "Search the e-learning". On the right is a magnifying glass icon and a red square button with a white downward arrow.

2 Filtered Search

Combine your search term with the selection of filters.

A search bar with a blue background. On the left is the "e-LH" logo. In the center is a white input field with the placeholder text "Search the e-learning". On the right is a magnifying glass icon. Below the search bar is a row of filters: a checkbox labeled "Only search enrolled content", a button labeled "All resources" with a gear icon, a button labeled "All components" with a gear icon, a button labeled "All statuses" with a gear icon, a red button labeled "Search", and a red button labeled "Advanced Search" with a close icon. The NHS Health Education England logo is in the top right corner.

Only search enrolled content – select/deselect this option to narrow and broaden the volume of e-learning content that is searched.

All resources – select/deselect the programmes and applications you want included in your search.

All components – select/deselect to narrow and broaden the types of component, for example, Courses, learning paths, sessions included in your search.

All statuses – select/deselect to help you find e-learning content which you have, for example, not yet started.

3 Advanced Search

Find results that have:

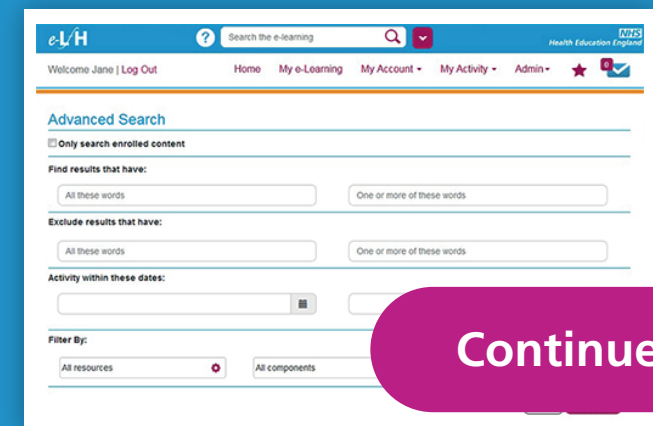

Use this option to find items which INCLUDE your search term in their title, description, keywords or author.

Exclude results that have:

Use this option to find items which DO NOT INCLUDE your search term in their title, description, keywords or author.

Activity within these dates:

Enter dates to narrow down the search based upon when you last accessed your e-learning.

A screenshot of the Advanced Search page. It shows a search bar at the top with the placeholder "Search the e-learning". Below the search bar is a navigation bar with links: "Welcome Jane | Log Out", "Home", "My e-Learning", "My Account", "My Activity", and "Admin". The main heading is "Advanced Search". Below this is a checkbox labeled "Only search enrolled content". There are three sections: "Find results that have:" with two input fields, "Exclude results that have:" with two input fields, and "Activity within these dates:" with two date pickers. At the bottom, there are buttons for "All resources" and "All components".

Search Results

Your search results are grouped together by component, for example, programmes or sessions are grouped together.

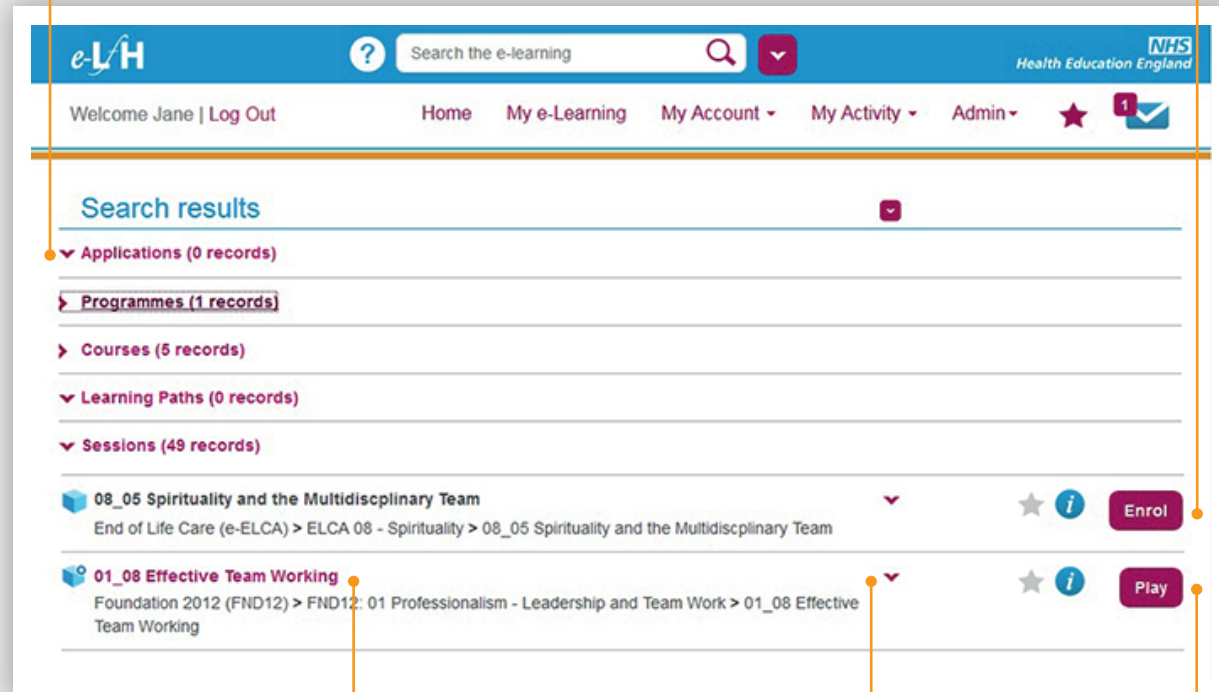

The contents of each group are sorted alphabetically based upon the breadcrumb trail shown below the item's title. This means that results from the same course or learning path will be shown next to each other.

You can also access the information pages for any item.

***If you are not logged in then these functions are not available to you as your e-learning activity can only be recorded against your account once you have logged in.**

The listed contents of each group can be shown or hidden which allows you to quickly hide results which you are not interested in.

If you have searched for unenrolled content, then you can enrol on the parent programme from the search results also.

Selecting the title of any item will open the My e-Learning screen at that location.

The breadcrumbs can be also be shown or hidden to simplify the view on the screen.

Sessions can be played from the search results and feedback can be provided from the search results screen.*
